

## Revaia announces the promotions of key senior team members

**Paris, September 20, 2023** – Revaia, the leading growth investor in sustainable innovation, today announces the promotions of Hadrien Comte and Jean-David Herld to Principal, and Salomé Caillat to Senior Associate.

Hadrien Comte joined Revaia in January 2020, as one of the first hires in the investment team. As a result of his strong performance, he has risen quickly through the company, highlighted by his most recent promotion to Principal. In his time at Revaia, he has notably been involved with the management teams of GoHenry, which merged with Acorns in 2023, Platform.sh, Kaiko and Epsor.

Jean-David Herld has also been promoted to Principal. Since joining Revaia in 2021, he has been the key lead in the establishment of Revaia's Berlin office, and the growth of the company's presence in the DACH region. At Revaia, Jean-David focuses on the DACH and Eastern European regions, supporting companies such as Frontify, Hublo and Planity.

Finally, Salomé Caillat has become a Senior Associate, having joined Revaia in January 2022. She was the first consultant to be appointed to the investment team of Revaia, and her fast progression to the Senior Associate level highlights her success and importance to the business. Salomé is involved with Deepki, Welcome to the Jungle and Yubo.

Morgan Kessous, Partner at Revaia, said *"We are delighted to announce these significant promotions for Hadrien, Jean-David, and Salomé, as we take the next step on our growth ambitions. The three of them have been critical in identifying and investing into future global technology leaders and have provided our portfolio companies with significant support. They have proven to be unique assets for Revaia, and they are well deserving of this accomplishment."*
